COMMUNITY INFRASTRUCTURE SURVEY LOT # _____

Our Community is working to create a Capital Improvement Plan so that the community is able to make the best use of its reserve funds. Reserve funds are monies placed aside in savings each year so that the community is able to plan for replacement costs of our assets (water/sewer lines, electric meters, roads, etc.) and sometimes to plan for special items the community would like to add or remove. By completing this survey, you can help our community best determine what items and costs we need to inventory and research. As we are all part of this community your concerns and ideas are vital the success of this plan. Thanks for your input!

1. What does your household see as the community's biggest challenge regarding infrastructure (services, buildings, roads, etc.)?

2. Are there items on your lot that need to be addressed? Including but not limited to: standing or pooling water on lot, poor drainage, dead trees, tree limbs, damp or wet areas on lot, exposed wires, deteriorating electrical backboards, etc.

3. Sometimes the outside systems can effect what happens inside your home. Have you in the past 12 months experienced any of the following:
